Marketing Manager · Digital Campaigns · Brand Partnerships · Events & Experiential

Bristol, UK | gatee.uk@gmail.com | +44 7767 842048 | [linkedin.com/in/marketingwithgatee](https://www.linkedin.com/in/marketingwithgatee)

PROFESSIONAL PROFILE

Results-driven marketing professional with 4+ years of experience across digital campaigns, brand partnerships, events, and communications. Proven ability to deliver measurable outcomes: 37% CPA reduction, 93% social media audience growth, 155M+ press impressions, and 250% of sponsorship target at RISE//DEL. Experienced in managing multi-channel campaigns, agency and partner relationships, and cross-functional stakeholder coordination across start-up and agency environments. Strong project management track record — delivering complex events and campaigns on budget and above commercial targets, with full P&L oversight.

EXPERIENCE

Project Lead · RISE//DEL

Delhi / Gurgaon, India | Oct 2025 – Present

- Led end-to-end delivery of a 3-day industry conference (250+ attendees) as sole project lead — managing programme, supplier relationships, campaign timelines, creative production, and on-site logistics
- Delivered first profitable edition in the event's history — 40% net surplus — with full P&L oversight including PO tracking, invoice management, and budget reporting
- Exceeded sponsorship revenue target by 250% through end-to-end partnership outreach, pitch deck development, and deal negotiations across multiple sectors
- Generated 82 ticket sales in week one through organic-only campaign, onboarding 30+ community partners and managing all social, email, and press channels
- Developed business case and pitch materials for a new quarterly touring event series, including stakeholder presentations and a route-to-market strategy

Freelance Social Media Marketing · Represent Management

Remote | Jul 2024 – Jul 2025

- Managed organic social media for multiple clients, scaling accounts to 1M+ TikTok views per video through trend-led, platform-native content strategies
- Introduced data-led content ideation cycles — driving sustained follower and engagement growth across all managed accounts
- Delivered regular performance reports with actionable recommendations to client management teams

Sales & Services Associate · Yugo

Bristol, UK | Nov 2024 – Present

- Managed communications and admin coordination for 350+ residents and 20+ contractors simultaneously, maintaining high standards across multiple concurrent workstreams
- Contributed to social media content creation and community engagement, supporting a consistent and active brand presence

Social Media Intern · Fox Cycling

Portishead, UK | May 2024 – Sep 2024

- Achieved 30% increase in organic engagement by developing content calendars, identifying trend-led content opportunities, and tracking weekly performance metrics
- Contributed to sold-out classes through data-informed social strategy and consistent lead generation via organic content

Marketing & Communications Manager · TuneCore India

Mumbai, India | Jun 2022 – Dec 2023

- Reduced cost-per-acquisition by 37% through data-led cross-channel analysis and strategic budget reallocation across paid digital campaigns
- Grew Instagram audience by 93% and delivered 155M+ press impressions, overhauling the brand's multi-channel strategy across social, email, video, and press
- Managed strategic brand partnerships with major digital platforms and national media — leading outreach, coordinating activations, and reporting on commercial outcomes
- Led end-to-end campaign management: briefing creative teams, coordinating stakeholders, and presenting performance reports to senior leadership
- Oversaw digital content production including video shoot coordination, scriptwriting, and artwork briefing — ensuring on-time delivery across all channels

Marketing Account Executive · JetSynthesys

Mumbai, India | Jun 2021 – Jun 2022

- Generated 950K+ views and 35K+ reactions for the Pokémon Official Asia Channel by leading end-to-end influencer and creator campaign strategy — from talent identification and briefing through to content distribution and performance reporting
- Grew client Instagram followings by 100% and increased engagement by 25% by redesigning social content strategy and introducing a consistent digital asset framework across multiple concurrent client briefs
- Coordinated campaign delivery for multiple clients simultaneously, managing assets, timelines, and deliverables across B2B and B2C briefs
- Led a cross-functional market research project with 200+ participants for The Times of India, producing insights that informed client brand strategy
